SPOKANE COUNTY FIRE RECOVERY GRANT

Recovery Grant Document Checklist

For Gray Road and Oregon Road fire survivors applying for Spokane County's CDBG-DR help. Gather what you can before you talk with a recovery navigator.

Who you are and who lives with you

- [ ] **Photo ID** for every adult in the household
- [ ] **Proof of who lived in the home**, like tax returns, benefit letters or school records

The property

- [ ] **Deed or title** showing you own the property
- [ ] **Proof it was your primary home in August 2023**, like utility bills or insurance records
- [ ] **Property tax status**: current, or on an approved payment plan

Income

- [ ] **Your most recent federal tax return** (Form 1040) for everyone in the household
- [ ] **Recent pay stubs or benefit letters** if your income has changed

The damage

- [ ] **FEMA inspection report**, if you have one
- [ ] **Insurance adjuster reports**
- [ ] **Photos of the property** after the fire

Other help you received

- [ ] **Insurance policy and claim payments**
- [ ] **FEMA and SBA letters**
- [ ] **Charity or nonprofit help** for the same work

Work you already paid for

- [ ] **Contracts and invoices**
- [ ] **Proof of payment**, like cancelled checks or bank statements
- [ ] **Before and after photos**

The date to know. Work you pay for yourself can only be reimbursed if it's done by **January 21, 2027**, and only work done before you formally apply counts. Work the program pays for directly isn't affected by that date.
